

Quinta do Combro

Combro Red 2022

An authentic red wine made from organically farmed, old field-blend vineyards in Vilarinho de Cotas, in the Douro Valley. With minimal intervention in the winery, the wine is spontaneously fermented with native yeasts in granite lagares (foot treading) and then, small stainless-steel vats to express the true essence of its terroir. Aged for 18 months in French oak barrels.
