

CHÂTEAU LA RABOTINE

Give time all its power

Sancerre Blanc 2023

Les Demailés

Powerful and delicious

Sauvignon Blanc. Vines 50 years old on average.

Single plot cuvée (2022 was the first vintage available): **plot facing south on Kimmeridgian Marls**. Simple Guyot pruning, disbudding, mechanical work of the soil under the rows, grassing between the rows.

Manual harvest, pressing, cold settling, **aging on fine lees for 12 months in amphora from Italy of 1600-litre** then 6 months in stainless steel tank.

Pale yellow robe with golden highlights.
The **nose** is initially discreet, with **delicate floral notes accompanied by hints of honey, beeswax, and caramel**. With aeration, the bouquet gains intensity and complexity, revealing aromas of beeswax and flowers, as well as nuances of candied citrus and citrus zest. The whole is rounded out by subtle toasty and pastry notes. The texture is slightly grainy, offering plenty of volume and beautiful structure. **Notes of milky caramel dominate, creating a luscious sensation**. The finish, marked by present tannins and a touch of sweetness, prolongs this impression with **aromas of candied fruit, citrus, honey, and caramel**.

Ideal to accompany a rack of lamb with honey and mustard, a citrus risotto or monkfish with curry and coconut milk.

To be enjoyed now or over the next 5 years at a temperature between 10 and 12°C.
