

CHÂTEAU LA RABOTINE

Give time all its power

Sancerre Rouge 2020

Terres de Droux

Solar, very generous and delicious

Pinot Noir. Vines of 50 years on average. In organic conversion

Clay-silt-limestone terroir. Simple Guyot pruning, disbudding, mechanical ploughing of the soils under the rows, grassing between the rows.

Manual harvesting, destemming, vatting for a maceration period of around 3 weeks with manual punching down and pumping over. Natural malolactic fermentation in oak barrels for 10 months then aging in tank for 8 months.

Deep and intense ruby red color with beautiful brown reflections.

First nose very vanilla and greedy. Notes of jammy black fruits and brandy cherries develop quickly after airing. The whole is enhanced by the freshness of the spices (white pepper) brought by aging in very melted barrels. The palate is full of finesse and offers a nice fruity aromatic return. The tannins are supple and silky. The roasted aromas and the spicy touch provide a nice length in the mouth.

Ideal to accompany red meats, a duck breast or cheese.
Drink now or over the next 10 years at a temperature of around 15 ° C.

Decanter 2022 : 93/100 (vintage 2019)
Rebecca Gibb (Vinous.com) : 90/100 (vintage 2019)
Wine Enthusiast 2021 : 90/100 (vintage 2018)
Terre de Vins 2021 : gold medal (vintage 2018)
